**Auction  
Items  
Needed!**

The Spay Neuter Project serves mid-Missouri pet owners and rescue organizations with high quality, low-cost spay and neuter services, plus life-saving vaccines and micro-chipping. Since opening in 2015, our non-profit has performed over 28,600 surgeries! *Though clients pay a nominal fee, **we must raise over \$100,000 a year just to keep the doors open.*** Our 10th Annual signature fundraiser, SPAY-GHETTI, helps us meet that financial need. Along with a delicious meal and a huge bake sale, participants can bid on donated items in our Silent Auction. This is where YOU can help!

**We're looking for new items or experiences** that we can put up for auction at this year's event. Some examples might be tickets to a concert or baseball game, a golfing foursome, a camping weekend, health and beauty packages, spa treatments, pet goodies baskets, jewelry items, gift certificates to enjoy at a restaurant or local shop; the possibilities are endless! Bottles of wine also help raise money at our Wine Pull.
